Clafe Leaves

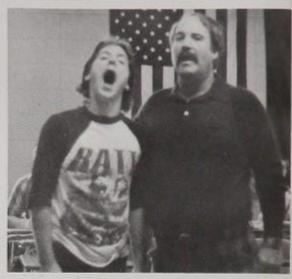

Hecky Telward

I have shut the door on Yesterday,

Tomorrow holds no fears for me,

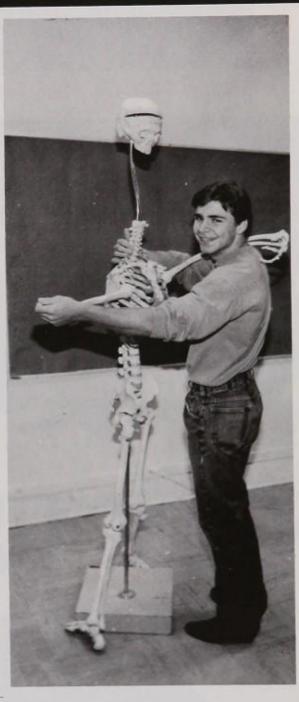

and thrown the key away—

Since I have found today.

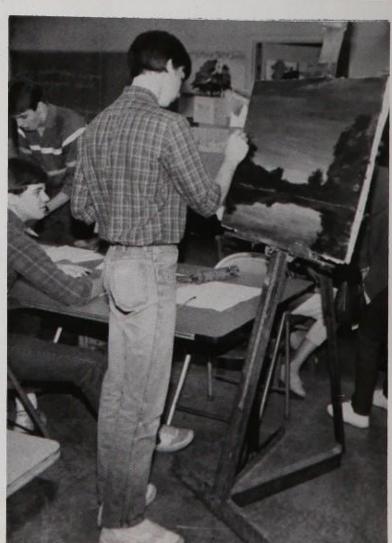

We must welcome the future, remembering that soon it will be the past;

and we must respect the past, remembering that once it was all that was possible.

- George Santayana

We are made wise not by the recollections of our past,

but by the responsibilities of our future.

Cherish yesterday, dream of t

tomorrow, and live for today.

I Mama Bear said to Papa Bear...

We know how to work!

Joy Beth gets to file!

I'll hide this note.

Melissa learns to glue.

Tara, it's like this.

Stephanie and Tina look happy.

SPOTLIGHT Natalie Black

Natalie Black steps into the Junior Spotlight. Natalie has been taking dancing lessons since the age of four. The instruction consists of acrobatics, tap, jazz, and ballet. She has attended many summer conventions which exposed her to many teachers, methods, and dancers. She hopes to take the ultimate dancing venture to New York the summer after her senior year.

SPOTLIGHT Tobey Henry

Tobey started taking riding lessons after her seventh birthday. A trip to the World Championship Three Day Event at the Horse Park in Lexington kindled her interest in jumping and eventing. Eventing is an Olympic sport that combines dressage, cross country and stadium jumping. Before she outgrew her pony Sparky, together they competed in three events and many small dressage and jumping shows mostly in Southern Illinois. Tobey now has a horse which she plans to event and hopes to have a career in the horse world someday.

The Lone Oak Varsity football team achieved something only two other Lone Oak teams have done—they won the County Championship!

With a brand new season ahead of us, practice began on July 23. Through long, hard practices in the hot sun we improved, anticipating a great season. Our team attended football camp at Kentucky Wesleyan College in Owensboro, during the week of August 12-16. After a week of grueling practice, delicious meals(?), and scrimmage games, we felt we were ready to begin the 1985 season. We defeated the Bombers 40-0. We then prepared diligently for the Tilghman Tornadoes. The Purple Flash

was defeated by the Big Blue 0-41. A county rival was our next victim. We walked away from Heath with a 2-0 victory and plans for a County Championship. Our next opponent was Calloway. We were defeated by Calloway 9-28. Marshall County handed us another loss 6-35. The victory over Reidland 15-14 resulted in our winning the County Championship. The last four games of the season were losses for the Purple Flash. Trigg County (6-35), Murray (0-43), Hopkinsville (0-47), and Union County (6-20).

Because of the many injuries, some of the senior football players did not receive proper recognition. These seniors should be given credit for a job well done. Without the leadership provided by the nine seniors, our team wouldn't have been the same. One of these is senior quarterback Cary White. He had to stand on the sidelines for half the season because of an unfortunate accident. Jeff Beach and Barry Arnett suffered from injuries to the arm and wrist. And runningback Randy Hooker sustained a knee injury near the end of the season. It takes special qualities to be a great senior, and these nine do qualify for their outstanding performances on and off the field.

It is not suprising that this year's boys' tennis team is undefeated. In the past four years they have been very successful. In 1983 they had a record of 15-7. In 1984 they lost 2 matches out of 20 and were runner-up in Regionals. In 1985 they maintained a perfect unblemished record of not being defeated and also became Regional Champions. In 1986 they are once again undefeated and they held their title as Regional Champions.

nor on many other materials in their natural state. Paper, on the other hand, lends itself perfectly to the many requirements of modern communications and packaging. And paper, as everyone knows, is made from wood. In a world that is rapidly depleting its natural resources, wood is one of the rare renewable resources. At Westvaco, we're insuring an ever growing supply of this basic natural resource through advanced forestry practices and sound land management programs. Our future depends on it.

And tomorrow is only

a vision;

But today well-lived

makes every yesterday
a dream of happiness,
And every tomorrow a

As we leave Lone Oak High School, we will remember the laughter, tea and friendships of our youth. Looking through the pages of this book we make the memories of our "yesterdays" part of our "tomorrows."
